

# Centipede Scale System <sup>TM</sup>

## *“Harvesting The Future”*

Introducing our *“patented” Centipede Scale System* <sup>TM</sup> designed by *McKibben Mfg., Inc.*, built and sold exclusively through *BEI International, LLC*.

We are so confident of our system we are offering a special *“100% Money Back Guarantee”!*

See for yourself what your “Return On Investment” will be using our innovative CSS catcher system over your existing catcher system.

- \_\_\_\_\_ Total Pounds Harvested in 2008
- \_\_\_\_\_ X’s 15% Increase Using Sway Harvester
- \_\_\_\_\_ X’s 30% Increase Using Rotary Harvester
- \_\_\_\_\_ X’s Dollars Per Pound
- \_\_\_\_\_ Total Dollar Increase Over Existing Catcher System

To take advantage of our 100% Money Back Guarantee simply order your new Centipede Scale System to fit your existing BEI, Korvan, or Littau harvester.

**Terms: 50% Deposit ~ Balance Due July 15, 2009**

**Guarantee: *If not completely satisfied with the results of the Centipede Scale System, BEI will refund 100% of your money when returned to BEI. It’s that simple!***

We are offering this *100% Money Back Guarantee* so we can properly plan our production of the Centipede Scale System. Depending on which harvester you’re buying the Centipede Scale System for, it makes a difference on how we manufacture and assemble that set.

Don’t wait until harvesting season to place your order. We have a limited supply of raw material for Centipede Scale System. We will replenish our raw material as needed, but lead-time is a factor!
